

# System 45 - Induction – On table Wok

Manufacturer: Berner-Kochsysteme GmbH & Co KG

Type: **BWK3.5**

## Type:

Powerful On –Table Induction stove with one cooking place.

Material: Chrome nickel steel 18/10 DIN 1.4301

Compact Type, case and cover manufactured in one piece. Ground plate is removable. With build- in glass-ceramic bowl in the case. Curves and smooth surfaces make a easy optimally cleaning possible.

The energy assignment is carried out via one induction Coil under the glass-ceramic plate. Under the induction coil being the induction - generator.

## maximum operation safety gratitude:

- electronic temperature supervision of the induction coil, generator and control print.
- electronic supervision for the addition of energy
- Energy reduction and Turning off at empty pan in operation.

The easy handling is carried out with one step less power controller. One digital advertisement under the glass-ceramic plate shows the chosen performance (1-9) or possible troubles. An optimal air supply is carried out with integrated cooler in the bottom. Below is an exchangeable aluminium grease filter (automatic dishwasher fit). The cooling is carried out via an air channel system.

Delivery incl. regulator, knob and connection cable with plug and Aluminium grease filter. Four stable, non-skid and adjustable in height feet.

## Technical Data:

Width:	400 mm
Depth:	455 mm
Height:	180 mm incl. Feet
glass ceramic bowl:	Cuvette 300 mm Ø
Induction Coil:	round 300 mm
Connection value:	230 V / 3,5 kW
