

System 45 - Induction – On table unit

Manufacturer: Berner-Kochsysteme GmbH & Co. KG
Type: BI1K3.5TK

Type:

Powerful On –Table Induction stove **COMBI-STAR** with one cooking place with touch control.

Material: Chrome nickel steel 18/10 DIN 1.4301

Compact Type, case and cover manufactured in one piece. Ground plate is removable. With build- in glass-ceramic plate in the case. Curves and smooth surfaces make a easy optimally cleaning possible.

The energy assignment is carried out via one induction Coil under the glass-ceramic plate. Under the induction coil being the induction - generator.

maximum operation safety gratitude:

- Electronic temperature supervision of the induction coil, generator and control print.
- electronic supervision for the addition of energy
- pan detection/ overheating protection
- Residual heat display under the ceran glass plate

The easy handling is carried out with one touch control in the face plate. One digital advertisement in the Touchcontrol shows the chosen performance (1-9) in (° C) or possible troubles. An optimal air supply is carried out with three integrated cooler in the bottom. Below is an exchangeable aluminium grease filter (automatic dishwasher fit). The cooling is carried out via an air channel system.

Delivery incl. connection cable with plug and Aluminium grease filter. Four stable, non-skid and adjustable in height feet.

Optional:

- Wok top
- Grill - top (BAG)
- Pasta - top (BAP)

Technical Data:

Width: 400 mm
Depth: 455 mm
Height: 120 mm incl. feet
glass ceramic plate: 350 x 350 x 6 mm
Induction Coil: square 270 mm
Connection value: 230 V / 3,5 kW

11/13 Dimension are approx.- dimension. Technical Changes and leaving typographically conditional Colour deviations.
